**International Center for Caucasus Tourism, ICCT,
invites you to three days cycle tour “Adjara – Abastumani (Samtskhe-Javakheti)”**

ICCT offers you the tours to explore cycle and rural tourism services in various regions of Georgia. Tour “Adjara – Abastumani” starts from the moment of arrival in Tbilisi International Airports where you will be met by a guide and driver with a comfortable microbus which accompanies you in the duration of the tour. Due to profitability number of tourists should be no less than seven and not more than 10. The cost of the tour includes a full pack of services and doesn't exceed 350 Euro. Time of arrivals and departures depends on the flight schedule and is tentative.

The final schedule of the beginning and the end of the tour depends on the schedule of flights and will be announced in advance.
